If your youth ministry were a rollercoaster, where are you on the ride?

### 1) Standing in Line

This can be the most boring part of the ride--but it is also necessary. Use this time to PREPARE your parish and youth for the "ride": Build your leadership team (adults and youth); host a youth summit; plan a 3 or 9 month calendar; raise some money. Make time your friend!

### 2) Climbing to the top of the first big hill

The key word here is ANTICIPATION. Once you've taken care of the prep work, hopefully all will be anxious to get things going. Use this time to PROMOTE your ministry and build MOMENTUM and excitement. This is a great time to offer a BIG event to kick-off several months of plans. Once you hit the top of the hill, there is no turning back!

### 3) Down and Up and Down again

This can be the most fun, if you remember that there will be ups and downs and turns along the way. Don't be too influenced by successes or failures. Your ministry "ride" will contain both elements. You are there to enjoy it *with* the youth, and to BUILD RELATIONSHIPS in our Lord, Jesus Christ. (If the Spirit moves you, you can throw your arms in the air and scream with delight!)

Blessings,  
Chris Edmonds
