Energize and Equip Yourself!

The month of August ushers in the planning phase for many parish youth ministry programs. I urge you to attend as many of the training opportunities as possible offered through our office. They are listed throughout this e-newsletter and are designed to help energize you and equip you for your ministry. Each event allows for networking and support. Together as members of one diocesan family, we build up one another!

I look forward to seeing you soon,
Chris Edmonds
