Donor Instructions (Stock Gifts)

Donations of securities are easily accomplished. There are several options available to donors – please review the steps below to determine the best option for your gift.

- All gifts should be processed through diocesan brokerage accounts already established whenever possible.
- If you wish to have your broker complete a transfer of shares, please complete the AUTHORIZATION FOR TRANSFER OF GIFT SECURITIES form. Some firms have their own form for gifting, so please contact your broker to verify what requirements they have for processing a DTC gift of securities.
- Please give the original AUTHORIZATION form to your broker and either mail or fax a copy to the Catholic Diocese of Wichita at 316-269-3902. We will coordinate with our broker to process your gift promptly and remit funds as you specify in Section I.
- If you have a certificate on hand that you wish to donate, please DO NOT endorse the back of the certificate. Please contact Mike Wescott at 316-269-3917 to obtain forms that will give the Diocese title to the certificate. Mail the completed forms to the Office of Development and Planned Giving under separate cover from the certificate. Your gift will be registered the date the latter is received (if mailed on separate dates).

Upon receipt of the security in the diocesan brokerage account, the Diocese will execute an order to sell. Once the proceeds of the sale are received, you will be notified of this transaction with a letter from the Office of Development and Planned Giving.
