

Natural Family Planning FAF Ovulation Method Teacher Training

August 28-30, 2015
Spiritual Life Center
Wichita, KS

"99% effective, 100% natural! Your body knows"

Family of the Americas
Foundation's teaching
materials and charting
system are easily
understood, available in
many languages, and used
in more than 100 countries.

The **Ovulation Method** is a simple and effective fertility awareness method of family planning developed by doctors. Women with irregular cycles, breastfeeding, discontinuing birth control or approaching menopause can use the method safely and effectively.

Cost for the three-day training is \$650, which includes instruction & materials. Additional facility fees, meals, and lodging (if needed) will apply.
